Here's what to expect:

- Work will occur between **9 p.m. and 5 a.m.**
- One lane will remain open in each direction.
- Flaggers will direct traffic.

Once the traffic shift is complete, State Highway 44 will be two lanes in each direction from Moyle Avenue to Short Road.

Motorists will remain in this configuration until summer 2027.

Please stay out of work zones at all times.

Make sure to **avoid distractions and pay attention** when traveling through the intersection.
