State Highway 16 44 Interchange

Nighttime flagging will occur this week (12/15-12/18) starting at 9 p.m.

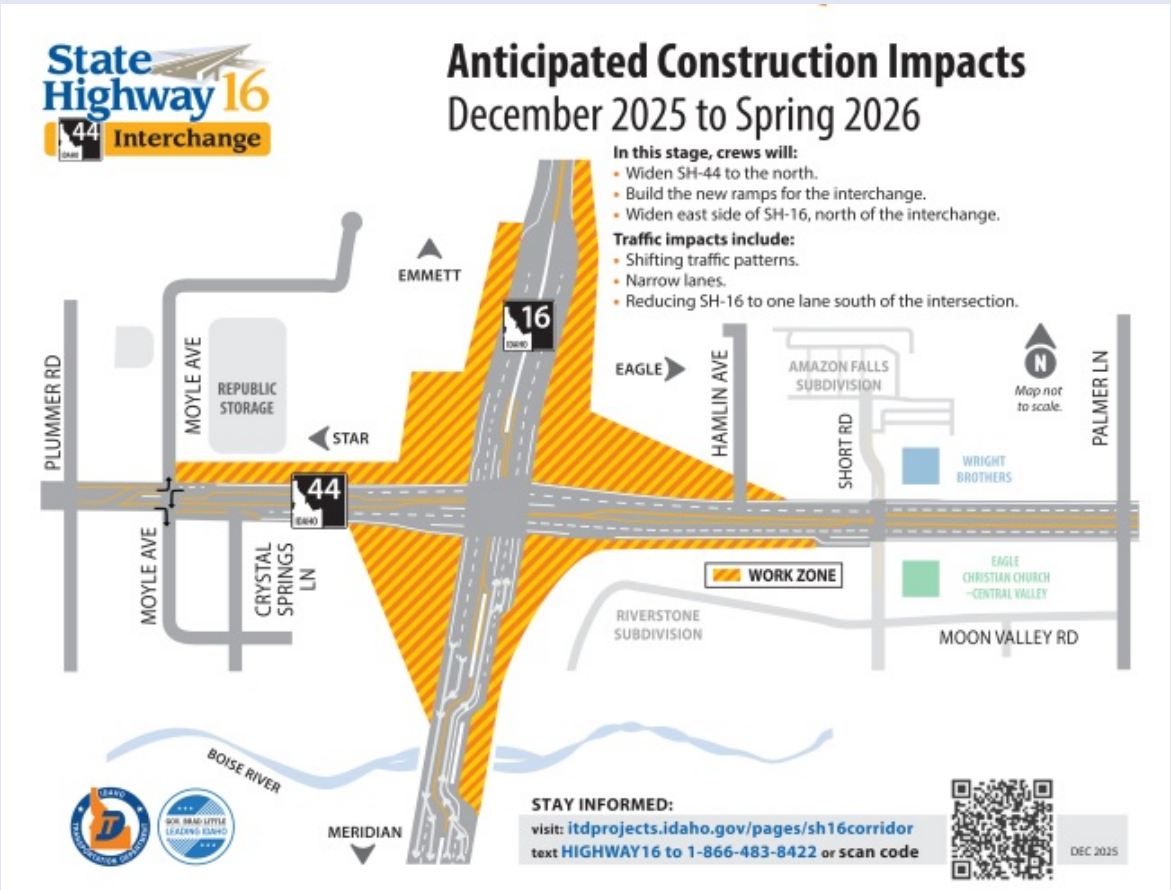

Starting Monday Dec. 15 crews will be flagging at the State Highway 16 and State Highway 44 intersection starting at 9 p.m.

Flagging will take place every night this week, Monday - Thursday, from 9 p.m. to 5 a.m. as crews continue to adjust the traffic pattern. Work includes removing old stripes, painting new pavement markings and placing guardrail.

Here's what to expect:

- Flagging will occur between 9 p.m. and 5 a.m. each night.
- The speed limit will be reduced.
- Narrow lanes along SH-44.

Plan for extra time when traveling through the intersection.

Here's what to expect through the spring:

- SH-44 will be reopened to two lanes in each direction between SH-16 and Short Road.
- Two left turns on SH-16 heading east on SH-44 will be reopened.
- SH-16 will remain one lane in each direction south of SH-44.
- The speed limit on SH-44 is reduced to 45 mph.
- Lanes will be narrow along SH-44.

Plan for extra time when traveling through the intersection.
