State Highway 16
44 IDAHO Interchange

Anticipated Construction Impacts

May to Late Summer 2026

In this stage, crews will:

- Work on the center of SH-44.
- Widen the east side of SH-16, north of the interchange.
- Continue to build the new ramps for the interchange.

Traffic impacts include:

- Shifting traffic patterns.
- Narrow lanes.
- Reducing SH-44 westbound to one lane.
