Future SH-16 looking north

Read below to learn about progress along the corridor!

I-84 System Interchange

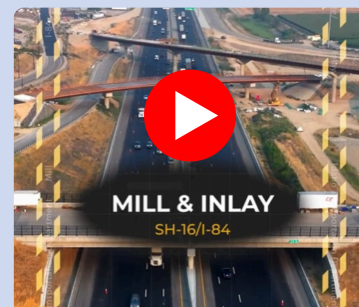

Click the photo to learn more!

I-84 System Interchange

◆ Since our last update, crews have been continuing to work on the bridge decks (top of bridge) of each flyover ramp crossing I-84.

► **Upcoming:** Eastbound I-84 will be closed Thursday, Aug. 13 between Garrity and Ten Mile. [Click for more information.](#)

Watch the video below for an inside look at the mill and inlay work that was completed along I-84!

Franklin Interchange

[Click the photo to learn more!](#)

Franklin Interchange

Over the last month, crews have continued to pave the concrete approaches connecting the mainline to the interchange bridge and the on-and-off ramps.

Ustick Interchange

[Click the photo to learn more!](#)

Ustick Interchange

Over the past month, crews have been working on installing lighting under the interchange bridge. Crews have also been working to connect approaches of the interchange bridge to SH-16.

US-20/26 Interchange

[Click the photo to learn more!](#)

US-20/26 Interchange (Chinden Blvd)

Since our last update crews have been completing utility work and lighting installation around the interchange. Crews have also begun installing overhead signage.

SH-44 Interchange

[Click the photo to learn more!](#)

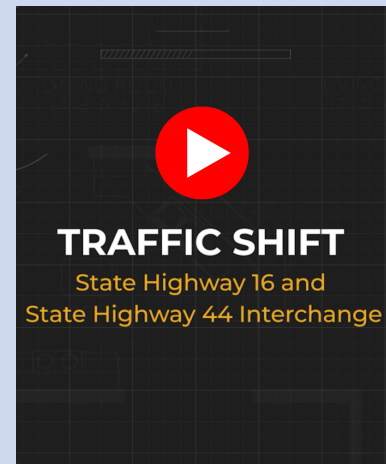

SH-44 Interchange (State St)

Over the past month, crews have paved the center of SH-44 and SH-16 northbound ramps. Paving is also complete at the SH-44 and Moyle Avenue intersection.

► **Upcoming:** A traffic shift will take place at **SH-16 & SH-44** on **Thursday Aug. 13**. Another shift will take place at **SH-44 & Moyle Ave** on **Thursday Aug. 20**.

After this traffic shift is complete crews will begin construction on the future interchange bridge.

Watch the video below to learn more about the upcoming traffic shift!

**Estimated completion dates and schedules are subject to change.*
