State Highway 16 Interchange

Nighttime work will take place along State Highway 16 March 9-11

At a Glance:

Where: SH-16/SH-44 intersection
When: 9 pm - 5 am, March 9 -11
What: Shifting traffic and striping work
Also below: New traffic pattern on SH-16 north of SH-44

Upcoming Impact:

Starting Monday, March 9, ITD will be shifting traffic and barrier on SH-16 north of the SH-44 intersection. Work will continue until **Wednesday, March 11**.

Here's what to expect:

- Work will occur between **9 p.m.** and **5 a.m.**
- All traffic will be shifted to the east side of SH-16.
- At least one lane in each direction will be open.
- Flaggers will direct traffic.

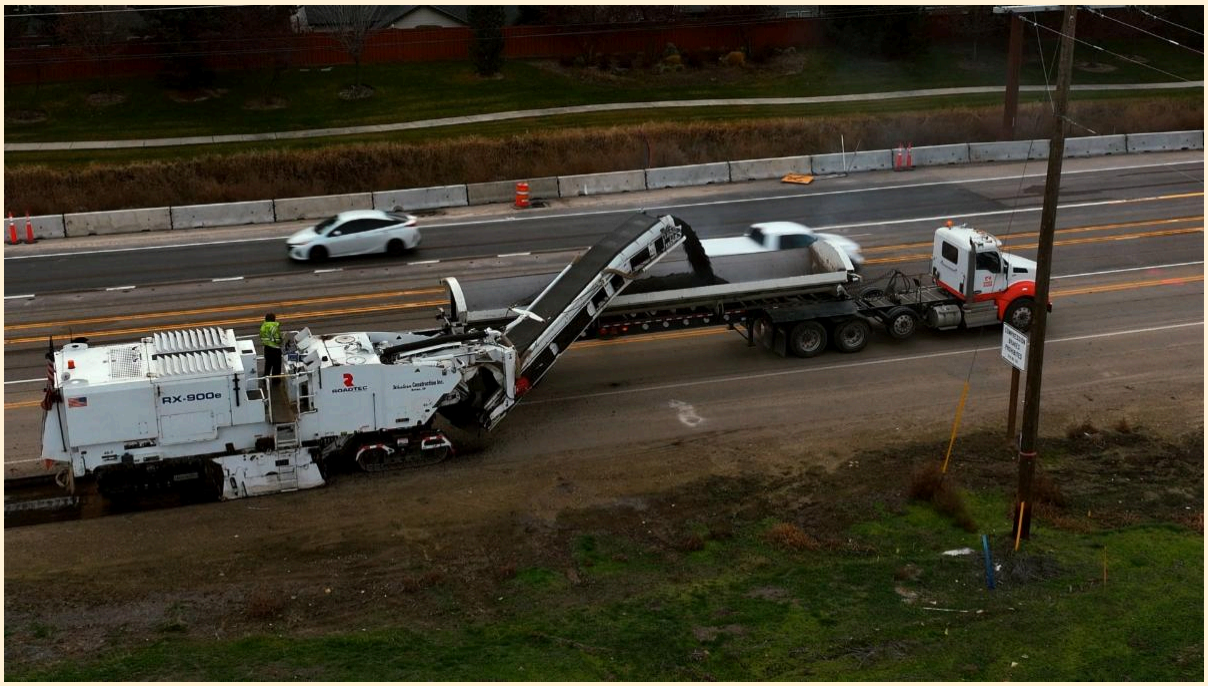

During this work:

- Crews will be widening SH-16 to the west.
- Crews will work on ramps to prepare for future traffic shifts.
- Northbound and southbound SH-16 traffic will remain the same.

Motorists will remain in this configuration through late March.

Construction traffic will increase during this work, watch for large trucks entering and exiting the roadway and avoid distractions.
