A Word From Our President!

It's August! How time flies. Did you get everything done yet? Me neither! I keep on plugging away at my projects but they don't all get done. That's ok, we're retired and have time! It's been a lazy summer so far, nothing exciting going on for me, especially with Covid still hanging around. I consider myself fortunate to not have gotten Covid again. Even though my infection in January was about as mild as you can get, I don't want it again! Just too much disruption in my life.

We have a good lineup of speakers and classes coming up, be sure to find them in this issue or on the guild Facebook Page. You can't beat the price for our classes. We get great teachers and fun projects. They are still at a bargain rate (did you see the prices at IQF in Long Beach!) and so much fun. We have always allowed other local guilds to take our workshops but we haven't advertised it very much. Our members get the first chance at a class, which will continue, but other local guilds can get on the list for any openings, contact Marie Blash.

Do you have some QUILT magazines and/or QUILT Books you want to bring it? Only quilting books and magazines, please. If your last name is M-Z, bring them in! We will

have the tables set up for them. Next month we will open this up to all guild members regardless of their last name. Just like we used to.

Also, let's see some Show and Tell, everyone has been working on something! We haven't had very many members showing their quilts, etc, may be intimidated by something? We are not going by the last names anymore, so the more the merrier. I hope I don't regret saying that last part!

The Elks Lodge will provide coffee, tea, and water. We are still NOT asking for snacks. I'm thinking that will wait until next year.

Also, at this time, masks are not required. We will continue to abide by what the Elks Lodge is doing. For me, I always have a mask with me, just in case I WANT TO WEAR IT.

Bonnie Lippincott
OGQG 2022 President

Happy News! 120 quilts have been donated for the Camp Pendleton Gator Bash! Thank You!! If you have any quilts to be donated, please bring them to the August meeting

Congratulations to Pam Boozan on the marriage of her son!

Sadly we have heard Mimi Benven passed away. No additional information is available at this time.

Bring your quilts to share! No more rotation by last names! We want to see what you are doing.

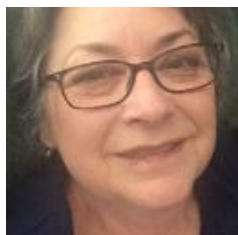

OGQG Facebook Page Reminder!

For those of you that are on the Orange Grove Quilters Guild Facebook Page, I want to remind you that you must be a member to join, and also to continue to follow the page.

Wow! OGQG Members we are heading into 2022 and all getting out and about. Don't forget to share your progress, completions and inspirations on Instagram (IG). Our Instagram account is **https://www.instagram.com/orange_grove_quilters_guild/** to see what other members are designing, working on and completing.

Additionally use a hashtag (#OGQGShare) to create great visibility for the guild, and help you reach other members or potential future members with your wonderful quilt creations. Using the hashtag enables us to connect with other members and other members can connect with each other.

COMING ATTRACTIONS TO OUR GUILD!!

Please join us at our August meeting on Wednesday the 10th, as Ann Turley presents her Menagerie trunk show. You can find more inspiration and information on her Facebook page Ann Aldrich Turley or on Instagram at #ann Turley. Hope to see you all there!

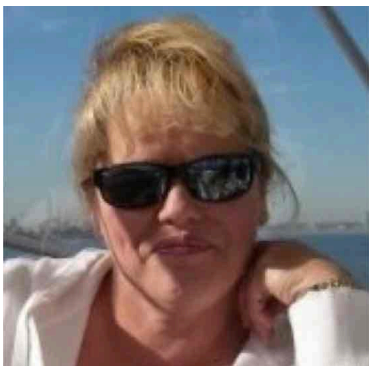

Don't miss the meeting!

Britta Laski, 1st Vice President

Our guild is once again collecting school supplies for the Marines and their children at Camp Pendleton.

School supplies as well as gift cards are much needed for the 700 families with children as well as the marines themselves as they continue their education. On behalf of them all, thank you so much for your continued generosity!

Britta Laski First Vice President

WORKSHOPS

There are only a few workshops left for 2022 and each one will be fun to do. Be sure to stop by the workshop table and see what we have to offer.

August will bring us Ann Turley teaching "On Point". This is a fun, easy quilt that only requires 5 fabrics total and you will get a lot done in class if you come with your "homework" done. Ann is a very talented lady who always has some neat trick or two to teach us.

September will bring us Dora Cary teaching "Beads on a String". What a wonderful way to use a layer cake or cut some assorted 10 inch squares to get started on this quilt. Dora is a super lady originally from Romania but now residing in Paso Robles. She will have a kit prepared for you if you pre-order it. Cost - \$45.

October Shelley Swanland will be with us teaching a "Cathedral Window Sampler", Come and see Shelley's various ways of making the cathedral window block. She is the master! And, she will have kits available in the class for \$15.

November brings us Jeff Warner doing his "Bargello Snowflake". The class is currently full but we have a waiting list and, if we get enough people to sign up, perhaps we can entice him to do a second class. Jeff is a great guy who lives locally. Do your homework and you will leave class with a good bit of your quilt completed.

All of our classes are held at the Westminster Village Club House, 5200 Blackpool, Westminster, CA. They begin promptly at 9 am and end at 3 pm with a short break for lunch. Come and join us! It's always a fun day.

PHILANTHROPY

Doesn't seem possible that this year is half over. We have had a very successful year so far and hope to continue with all of our philanthropy projects and activities.

Philanthropy Day (previously Sew Day) will continue on the 1st Wednesday of the month. We will meet on Wednesday, August 3rd from 9:30 to around 2:30 at the Driftwood Mobile Home Park, 15621 Beach Blvd., Westminster. This month the plan is to catch up on some unfinished items. Some quilts need borders in order for the smaller quilts to be big enough, a few need batting and a few need backing and binding to be cut and fitted. There will be kits and patterns available to pick from or bring your own. There will also be fabric available. Feel free to bring your sewing machine and work on a Philanthropy project. Come for the whole day or just a few hours. Bring a lunch and something to drink. It is a fun filled day.

We need a volunteer to Co-Chair Philanthropy. The responsibility to transport fabric from storage and return is just more than one person can reasonably handle. If you would like to volunteer to help please keep in mind that there is lifting involved. Items need to be picked up from storage on the first Tuesday of the month and returned to storage after Philanthropy Day. Storage is located in Fountain Valley at Warner and Magnolia. If you think you might be interested please contact Sherry Lincoln at 714-514-9983 for more information.

The Gator Bash is finally on schedule, Friday, August 12, 2022 at Camp Pendleton. Thanks to all our fantastic members, we have a great supply and variety of children quilts and patriotic quilts (120 and counting) to distribute to the Marine families. Volunteers have been contacted and the plan is to meet at the Fountain Valley Senior Center at Talbert and Bushard at 8:00 a.m. in order to car pool. Any questions please contact me.

Looking forward to our General meeting on Wednesday, August 10. There will be pillowcase kits, quilt kits, quilts that need binding and quilts ready for quilting. THANK YOU EVERYONE !!
