

# Pennell's PBIS NEWS

JANUARY 2018

## HIGHLIGHTS

The Pennell PRIDE team has been working very hard to create thank you cards for those in the community that help us out. The cards were delivered to various individuals in the community on February 8, 2019! The PRIDE members collected money around the holiday time and were able to help seven families have a brighter holiday season.

## PENNELL 200 CLUB WINNERS

200 Club tickets are given out by staff members to students who are seen going above and beyond in following Pennell's expectations. After being given this ticket, they are called down to the 200 Club board to place their ticket on one of the numbers. When the board has ten tickets in a row, the students whose tickets were part of that row will receive a fun prize!
