

## Dear Parents and Families:

Did you know? Reading just 20 minutes a day exposes your child to about **1.8 million words** per year. Reading helps students develop a stronger vocabulary, and in addition, students who read for pleasure average higher grades in English, mathematics, science, and history!

Encourage your child to read books for fun by attending our upcoming **Scholastic Book Fair**. Allow your child to choose the books they want to read! It's a wonderful selection of engaging and affordable books for every reading level.
