Re: **Passing of Greg Wing**

It is with deep sadness and a heavy heart that I write to inform you of the recent passing of Greg Wing on February 19, 2025. Greg was a longtime employee at District Shops and served as a Lead Street Supervisor on the Street Operations team.

Having started his career at RTD in March 1993, Greg was a dedicated employee for more than thirty years. He was a hard-working colleague, dedicated to his family, and a friend to everyone.

Greg's kindness, humor, and unwavering support left a lasting impact on everyone who had the privilege of knowing him. Greg brought warmth to every conversation and never missed a chance to flip his hair, and he will be deeply missed by all who had the privilege to work alongside him. He was more than just a coworker—Greg was an inspiration and a joy to be around.

As RTD mourns his loss, let's also celebrate his life and the positive influence he had on so many individuals. Greg was a beloved member of the Street Operations team for many years, and he will be truly missed by all who knew him.

If you find that you would like to speak with someone about this loss, please call **RTD's Employee Assistance Program (EAP) at 1.877.237.3954**. Employees in Bus Operations are also invited to contact Tim Lucero at 303.299.6928, or John Albo at 303.299.6676, if support is needed. Additionally, all impacted employees are encouraged to reach out to their supervisor, mentor, or another member of management to receive assistance.

Please keep Greg's family and friends in your thoughts and hearts during this very difficult time.

Thank you.
