¹ University grants or scholarships are based on established criteria as published in the University Catalog and are awarded after verification that the conditions of eligibility have been met. Students receiving a grant or scholarship, including the Commitment Grant, must continue to meet the eligibility requirements for the program. For terms and conditions of the Commitment Grant visit www.coloradotech.edu/commitment-grant/termsand-conditions. The Commitment Grant may cover the remaining cost of completing a CTU degree after applying the portion covered by the alliance partner's employee tuition assistance. If students elect to take out federal loans, they are responsible for paying them back and thus, not eligible for the debt-free education option. CTU cannot guarantee employment, salary, or career advancement. Not all programs are available to residents of all states. 1575 Garden of the Gods Rd, Suite 100, Colorado Springs, CO 80907 2474-22753 | REQ2229438 | 05/2026
