Treasurer Report- Mike Kondrat- Doug Romjue given the report as Mike was unable to attend. In general, all the dues are in and doing very well. Treasure's report approved as noted.

Vice Presidents Report- Ken Williams/ At Martin Slough this past weekend power washing the dock. Stain has been purchased and will be returning this next weekend. Stan from Rocky Point has donated chain for the dock.

Website: have been working with a website developer building a new site that is creating a one stop shop for all the information needs. Looking at very soon to be going live. The website and information have a cloud base back up.

No guest speaker

Standing Committee Reports –

Doug – Doug thanked everyone for the everyone that participated in Opening day. Was a great success.

Doug Balkema/ Sheriff and Enforcement rep – No updates, Question for parade- Did the coast guard have a boat out on the parade? There was someone out during the parade.

Andy Meyer- Golf Tournament/ 18th September- Called the Inflatable Boat Center (Ron), He was emailed since he does not come into the office and have not heard anything back. Still working on. Received information from the marine board, stating that there are people out there requesting the change/ resend of the no wake bill on the lower Willamette that was just passed. Andy brought up keeping the general meeting continue every month, Ken 2nd continuing the general meeting thru the summer.

Americas Boating Club - No updates.

Reporting for Stan Tommelson- Oregon state Senate Bill 859, is to get the funding of 1 million for derelict boat removal. Still in the works moving thru the senate.

Public Relations – Jolene Coats – Unable to attend, everyone on the call says they have received.

Daughters of Neptune- Vicki Justice – unable to attend.

Doug Balkema- Coast Guard Aux- No updates/ was able to contact the chief and send out a crew for the opening day parade.

Unfinished Business-

Doug Romjue & Ken Williams-

Sand island shelter updates- Still in the permitting process. Structural engineering permit that is needed and the person that handles the permitting is currently back logged and will not see anything until June. We have taken ownership of the Martin Slough dock and is insured.

WOO updates- Doug Romjue: Announcement of procurement of 8 million dollars for dredging of the north Harbor.

Lake Oswego dock length restriction- per the city officials. They have posted signs saying that the dock was not designed to have boats over 40ft.

Ken Williams- Poker run details will be on the website and hopefully live in the next couple days. Doug- was with the Tollycrafters the past weekend and walking around the coon island and noticed all the picnic tables that the wood on the tables is in bad shape. Could be a possible project.

New Business-

Ken Williams- There are all kinds of watch communities on Facebook. Helping the powers of "b" of what is truly happening in the surrounding communities.

Bev- Thanks to Doug for improving the links in the email. Also, Tyee is changing their location from Hadley to Sand Island due to the derelict boats.

Good of the Order/

Sean Kerns – Tom and Kay are transiting thru Canada to Alaska. Canada is closed but they are allowing a transit pass with limited stops.

Meeting adjourned,

R/S
