Treasurers Report:

\$14,283.84 Checking / \$20,061.95 Savings.

Bernie Bacon gave us an update on Beacon Rock, via an email reply she received from Washington State Parks. It was reported that someone took it upon themselves to repair some of the boards on the dock which were a major part of the ‘problem’. More to come in terms of a potential reopening, but nothing substantial yet. Bernie was able to share photos of the ‘repairs’

Bev Hamlik reminded us that the upcoming networking event at Old Spaghetti Factory will be closing for rsvp’s soon – please sign up asap and bring a guest!

Tony Bacon updated us that a permit is not needed for Opening Day (considering the nature of the event)! Doug R reiterated that he would like to see a way for the PYC Sailboats to be staged/part of the parade. A discussion also continued regarding “judging” and whether or not it is intimidating for new members. Could we think about an upstream and downstream side of the parade where boats (sailboats) rejoin...? Additionally, practice routes and a go/no-go decision regarding Opening Day routes, should be solidified soon. The group discussed having a decision by/for the February meeting.

Alicia Robinson provided an update on recruitment for the program and related club rules.

Doug R updated that the Board for next year is fulfilled with the addition of Ken Williams volunteering his time to continue.

New Business:

Motion made to donate \$500 to the Nautical Safety Foundation (NSF)

Good to the Order:

Bernie made a motion to nominate Tracy Robinson for VP. Seconded. Approved.
