Topic	Discussion
Treasurer's Report Doug Vandecoevering	- Savings: \$20,086.04 - Checking: \$18,712.65 - Total: \$38798.70 5 Daughters of Neptune invoices going out this week - All clubs have paid 2 advertisers paid - Sheffield agreed to sponsor CRYA for Opening. Big day-shout out to them for their on-going support
Vice President's Report Jason Resch	- This past weekend there was a cruise to Hadleys Landing. Great turn out and a great time. Ther are some good pictures of the turnout. - Shout out to Ken, Katie, Doug- and several others that advocated for this dock to stay afloat and get the needed repairs.
Adopt a Dock Program- Ken Tennefoss	- Will meet with Doug and work on a communication to all Commodores to see who is interested in participating in an adopt a dock program and work from based on who/how many clubs are interested. - See February Notes for more details about this concept.
Katie: Dock repair report	- Hadleys Landing: - Great turn out for Hadleys Landing Cruise. Thank you - A shout out to Tyee for their support - Public comment to state closes tonight, there have been many submissions of support thus far, so thank you for that. CRYA Board submitted a statement. Each submission gets a response. - Once this grant is fully approved the repairs will be approximately 4-6 week out. At this time it is unclear when CRYA needs to send in our matching funds for this grant. No concerns about this grant not getting approved. - Suggested having Marine Board do a "dock talk" to better understand what they are responsible for. Marine board has been great to work with. - Schwitters Landing - No project timeline but have a contract with state parks, completion could take 18-24 months

	• Next meeting with state parks is scheduled for 4/8/26 • Day-long event tomorrow-Reimagine the River- NFP conference talking about the river -mostly Willamette River. ○ Several people/group will be there including Willamette Falls Lock Board ○ Attending this conference with the goal of making sure people know CRYA exists and what we do
Opening Day “Spring Into Boating”	• CRYC Paddle Fish: ○ For Opening Day Paddle Fish will be docked at the Vancouver Waterfront with the DON and any special guests (Chamber of Commerce, etc.) aboard. * Reminder Paddle Fish can have no more than 5 crew members on board until it is docked, then others can come aboard ○ Working on identifying a time and place for people going on Paddle Fish for Opening Day to meet- please send names to Jolene for paddle fish invites- she will follow up with guests and Jolene will also send out as an invite to us as well so it can be shared as needed. • Jolene and Doug will work on Review Boats for Opening Day, still need a few review boats to participate • Flyer- Karen: group reviewed flyer- group agreed to change the main picture to Vancouver Waterfront. QR code works- goes to CRYA Opening day page. Group discussed included Portland in the verbiage not just Vancouver • Flight Captains-Doug: contact info needed for Fleet Captains, still working on identifying which clubs are going to participate and will set up a meeting with them in early April. • Practice Day: question to the group is this needed. Group agreed that this isn't needed since it is a repeat of last year and it's a follow the leader ○ CRYA is going to put out an extra buoy to help ensure boats go up far enough before turning. This was a follow up from a suggestion from last year's event. • Doug talked to a club who said all they want is to place this year. Doug suggested they get more boats involved because the “the win” is getting your community out there. There are no trophies, it's about being out together, showing club spirit and having fun. The true goal is to have lots of boats together!
Doug	• Invasive species permit in Oregon required but what about for Washington Registered boat that goes to Oregon, getting more information on this

	- Marine board- Jeanie Belleque- working with her to do a dock talk type presentation regarding who owns the docks and on invasive species permits - Suggested this be a Saturday Lunch and Learn style event
Daughters of Neptune (DON) Alicia	- DON donated \$400 toward Hadley Land match grant - Some DON may need new coats this year- Alicia will reach out as needed
Public Relations/Cruise Guide: Jolene Coats	- Working on Press Release, Jason is helping with this because he has some great photos to add to this - Emailing invites for Opening day
Guest Speaker: Connie Sullivan	- Working on Oregon Sea Grant, Clean Vessel Act, Coastal visits happening - Working with Nanoos- data visuals- coastal buoys and bringing data that is out there for free. Doesn't go too far up the Columbia River but this info is still available. Connie able to do a presentation on this or talk about pump outs, please let her know https://www.nanoos.org/
Annual Dinner	Save the Date: Annual Dinner will be held at PYC on Oct 20 th . More details to come but in the meantime mark your calendar!
Old Business	Clearance Marker on the lower section of the Steal bridge. When checked in on this last the contact sated "it's on the list" but wasn't able to provide an actual timeline for this.
New Business	
Good of the Order	Shout out to Katie for getting the Hadley's Landing cruise going this last weekend!
