

CRYA General Meeting Minutes

Doug Romjue called the meeting to order at 7:04

Roll Call via Doug Romjue

Treasurer, Doug Vandecouvering shared the following report:

Savings: \$20,069.49

Checking: \$17,986.50

Discussion regarding insurance coverage ranged from questions as to why we have specific coverages and why prices were increasing. We were reminded that when meetings were in person, we had a broader need.

Doug Romjue shared an update regarding the dock at Scwhitter. In a call with Doug, the Oregon Parks and Recreation Park Manager shared only vague information with an update shortly thereafter from District Manager, Clay Courtright stating that they were trying to transfer the property to the Port of Portland. He also stated that they didn't care much about both Hadley's and Rooster Rock. This is a potential opportunity for CRYA to advocate.

Opening Day guests were shared with the group with an ask for folks to share ideas for additional invites.

Tony Bacon updated us that Opening Day is just weeks away. Promotion discussions included flyers to help get the word out.

Alicia Robinson shared that the Daughters of Neptune now has 6 girls. They will not be doing the Starlight Parade, however additional locations are being looked into.

Still looking for 2026 Vice President role.

Old Business:

St Helens docks are looking really good. Power is now included in your overnight fee.

Jolene is about to push a press release related to further promotions.

Markers on the Steel Bridge continue to be on our radar. Ken now has a name and contact, with emails cc'ing Doug Romjue.

New Business:

Dock Talks continue at PYC with the next on April 19th and 10am.

Good to the Order:

Connie updated on dock pump out stations following winterization

Motion to adjourn 8:04 seconded, confirmed.
