	CRYA Meeting 8/18/26 ***Attendance listed at end of notes** **Zoom Link:** **https://us02web.zoom.us/j/83776150452?pwd=SEVtekt3ejJGV3M3N09iOFBBNDBSdz09** **Meeting ID: 837 7615 0452** **This meeting went from 7:11-8:18 pm**
Topic	**Discussion**
Treasurer's Report: Doug Vandecoevering	*No report provided during Aug meeting due to Treasurer being on vacation.
Vice President's Report: Jason Resch	• CRYA MEMBERSHIP AND BYLAWS Update: Following the strong support at our last meeting, where there was an approved motion to keep CRYA initials and an approved motion to expand membership types, we have incorporated the new membership structure into the proposed bylaws. ○ The three membership categories are: A) Member Clubs, which remain the voting and governance foundation of CRYA. B) Affiliate Organizations, allowing aligned boating and community organizations to formally participate in CRYA. C) Supporting Members, allowing individual boaters and supporters to become members for the first time. *All membership categories will have access to CRYA committees, applicable BoatUS benefits, and the CRYA dock at Martin Slough, subject to CRYA rules and availability. ○ We have also incorporated our newly adopted mission: CRYA. ***Helping People Access Waterways Since 1933.*** **Jason's ask is that tonight, we confirm that the draft reflects what we intended and approve it for formal circulation and the required bylaw adoption process- approved** • There are some early conversations about River Place docks and surrounding areas in downtown Portland. People would like to plan a cruise to this area but there is limited dock space on the inside (on the outside boats get rocked to the point of some damage). Working on a letter to Portland Parks and Rec to see if there is a way to develop a system to request dock space in advance.

	• Call for leadership roles for CRYA Standing Committee (Treasury and VP), please reach out with questions or to express interest in filling these roles. • Human Access Project- advocacy group, taught CRYA how to best advocate for docks-specifically Hadley's Landing. ○ **Human Access Fundraiser event is 9/12/26.** Some CRYA members are going to attend to represent CRYA; please come join us! These members are paying individually to attend; there is an ask for CRYA to donate $250 to this cause- this ask was approved.
Adopt a Dock Program: Ken Tennefoss	*No report provided during Aug meeting.
Dock repair report: Katie Schenk	*No report provided during Aug meeting.

Northwest Association of Networked Ocean Observing Systems (NANOOS) Presentation: Connie Sullivan	• Connie is the Boating Coordinator with Oregon Sea Grant- through the extension office at Oregon State University. Her focus is on education, outreach, engagement, also works with Clean Vessel Act. constance.sullivan@oregonstate.edu
	
	• NANOOS visualization System provides easy access to observations, forecasts, data and visualizations. Connie walked us through different features on this system associated.
	
	• Encouraged us to get on this site, click around, and send questions or comments- these do get reviewed by real people!
	  ○ nanoos.org
	  ○ nvs.nanoos.org
	  ○ nvsm.nanoos.org (mobile)
	
	• Things to note about NANOOS:
	  ○ This system does NOT replaces anything on your boat for safety it is to be used in addition to.
	  ○ Creating an account is FREE

	○ It's best to first access this via laptop so you can better a better idea of what the site offers and how to navigate it before moving to accessing it via your phone. • Features on NANOOS Include: ○ turn by turn directions for tsunami evacuation zones and other safety locations ○ Time bar at the bottom of the screen shows past, current or future dates/times ○ Latitude and longitude ○ Current water speed and direction can be found when hovering over small arrow looking icons in the water on the map ○ Can find current and choose what water depth to display ○ Layers section on the far left of the screen offers additional information you can personalize to layer onto the map; these can be turned on/off with a click of a button ○ Has a "route" on the far left of the screen- this allows you to set your route and see status of your choosing along the route. Routes can be saved but must create FREE account for it to save ○ Can also share this with friends by hitting the "share my view" button at the top left of the screen ○ Can change info to be seen in Celsius ○ Throughout the app are orange "i" buttons- a short description of this means will pop up when hovering on these
Opening Day Theme 2027: Karen Green	• Will Pick this up in Sep- stay tuned.
Exec. VP Report: Doug Romjue	*No report provided during Aug meeting.
Daughters of Neptune (DON): Alicia Robison	• Working on getting a Lifejacket Station on Sand Island. • DON have several Ladies Dinners coming up
Cruise Guides: Jolene Walsh	• Cruise guides due 9/1- adding some new and exciting things to this guide this year
Nautical safety Foundation (NSF) Nsf-nw.org: Mike Kondrats	• Kiosk Safety Stand are working! • If you or anyone you know has gently used life jackets, please contact Mike at 503-819-2775
Annual Dinner	• Save the Date: Annual Dinner will be held at PYC on Oct 20; doors open at 6 pm. Invites coming soon!

Old Business	• Clearance Marker on the lower section of the Steal bridge, not specific timeline was provided for this. No updates
New Business	• Reminder of Halloween Spoke Cruise Oct 16-18th at Schwitter Landing
Next Meeting	**9/15/26 @ 7:00 pm** **Zoom Link:** **https://us02web.zoom.us/j/83776150452?pwd=SEVtekt3ejJGV3M3N09iOFBBNDBSdz09** **Meeting ID: 837 7615 0452**

Attendance: Club Initals that are in bold had representative at this meeting
