

The Gunn Memorial Library **MAKERSPACE**

Opening June 22!

Your creative summer
destination!

Featuring...

Bring your ideas to life at the Library's new creative community space! With a range of high- and low-tech maker tools and a variety of programs for all ages, the Makerspace is your passport to summer adventure!

WORKSHOPS FOR KIDS, TEENS, AND ADULTS

Sew your own tote bag, design 3D printed keychains, create embroidered art, cut iron on decals with the Cricut, carve a treasure box and more!

"MEET THE MAKER GEAR" TRAINING SESSIONS

Learn about the Makerspace's:

- Cricut Cutting Machines
- Photo Scanners & Video Converters
- Embroidery Machines
- Sewing Machines
- 3D Printer
- CNC Router

COMMUNITY CRAFT NIGHTS

Have fun and make new friends as you work on your own projects or try the craft of the week!

OPEN HOURS + INDIVIDUAL APPOINTMENTS

And more!

Scan the QR
code or visit us at
www.gunnlibrary.org
to see the program
schedule and sign up!

A grant to kickstart this project was generously provided by the Northwest CT Community Foundation Khurshed Bhumgara Fund. We sincerely appreciate their support!
