March 4, 2022

Dear Friends of Animals:

On Easter Sunday, April 17, 2022, the Brevard Humane Society is presenting the 10th Annual East Coast Dog Surfing Festival! This event brings in surf fans and pet lovers for a day at the beach in a family friendly environment which includes our tail-wagging family members. We are reaching out to the community for sponsorships and donations for this event, i.e., gift certificates, surf contest prize money, and of course, monetary donations for the homeless animals in our care.

We invite your business to join Ron Jon Surf Shop, our Title Sponsor, with a sponsorship as we typically have up to 5,000 people on the beach which will give your business great visibility. See the attached form for details on all the sponsor advertising level opportunities available.

We hope you will be able to participate in making this event as successful as possible so we can continue our 70-year-old mission of caring for the homeless pets in our community.

Thank you for your consideration.

Sincerely,

Theresa Clifton
Executive Director
