

Laudate Children's Choir 2021-22 Information and Registration

Purpose of the Laudate Choir

Our group is open to any singers in grades 3-8 interested in contributing to the music ministry of our parish at weekend liturgies and other parish events. St. Anthony on the Lake Music Ministry youth programs offer opportunities for young people to enrich their musical, social, emotional, and leadership skills through music, prayer, and ensemble participation. We are committed to fostering a love for musical participation in various avenues of parish life and to helping our members develop closer relationships with God as well as positive, self-confident attitudes that go beyond our group.

Ensemble Information and Schedule

- ♪ The group runs from October through May for kids from grades 3-8. **A current schedule is available online at the St. Anthony website.** New members may join us at any time.
- ♪ **Mass: We lead the music at weekend Masses and other parish events.**
- ♪ **Rehearsal: Thursdays in the church from 4:00-5:00 p.m.**
- ♪ **Registration Fee: \$10**
- ♪ **Kick-Off Registration Deadline: Sunday, October 10th**

Student Responsibilities

Modifications for Social Distancing

- ♪ We will follow parish and school social distancing practices. If you have any questions or concerns, please contact the director.

Parent Power

Parents who help with choir activities should be trained in VIRTUS. Contact the parish office for more information.

Parents have a significant bearing on the overall success of the music ministry at St. Anthony's. We encourage parents to:

- ♪ Get their child to and from rehearsal and Mass, and inform the director when their child is unable to attend. Younger siblings who are not involved in the practice may not stay to watch unless supervised by a parent. Parents are required to promptly pick up their child after the conclusion of practice.
- ♪ Emphasize the importance of participating at Mass by attending and singing at Mass!
- ♪ Assist the director when necessary for extra rehearsal and event supervision so that choristers are not left unattended should a student have to leave the rehearsal.
- ♪ Promote a spirit of friendship and cooperation among parents and students.
