

# Why Choose MG21?

MG21 Liberal Arts Charter School for the 21st Century is an alternative project-based school for grades 6-12 that serves the Monona Grove School District. Students outside the district are welcome to apply for open enrollment starting in February.

Our programming focuses on relationships, wellness and academic skills for the whole person. Students who thrive here are curious, self-directed learners who enjoy inquiry-based learning in a smaller educational community.
