**Position:** Pediatrician

**Location:** SCC Health Clinic

**Hours:** Part-time, 1 day; 10 hours a week

**Salary:** Commensurate with Education and Experience

**Job Summary:** *The Pediatrician will be responsible for diagnosing, treating and documenting encounters based on the standard pediatric history and physical exam while offering support and advice to parents about children's health, safety, nutrition, and fitness needs.*

## Duties/Responsibilities:

- Provide superior pediatric care for infants and adolescents of the Sokaogon Chippewa Community and patients of the Sokaogon Chippewa Health Clinic.
- Conduct examinations on newborns and young children to check and record their health and physical development.
- Diagnose and treat illnesses, medical conditions, and injuries.
- Complete thorough and accurate documentation related to patient care.
- Order and analyze diagnostic and laboratory tests and procedures.
- Collect, record, and maintain patients' information and histories.
- Prescribe and administer treatments, therapies, medications, vaccinations, and other specialized medical care.
- Explain procedures and discuss test results or prescribed treatments with patients and family members.
- Monitor patients' conditions and progress.
- Direct, coordinate, consult with, and refer patients to specialists, therapists, and other medical professionals as identified to meet needs of patients.
- Advise patients, parents, and guardians on diets, activities, hygiene, and disease prevention.
- Conduct research and remain up to date on current trends, discoveries, and developments in the field.
- Complies with all HIPAA regulations with regards to patient privacy.
- Maintains proficiency in all areas by attending in-services, and staff meetings as required.
- Assure all services are delivered in a culturally competent manner.
- Perform other duties as assigned.

## Qualifications:

- American Board of Pediatricians certification, or board eligible required.
- Residency or fellowship in pediatrics or pediatric sub-specialty required.
- Wisconsin license to practice medicine required.
