School Resource Officer Don Belland  
Crandon School District  
9750 US Hwy 8  
Crandon, WI 54520

Dear Parents:

It has been brought to my attention by a concerned parent who has contacted the school district regarding a new website called Omegle "Talk to Strangers". The Guidance Counselors in our school District have talked to a few students and they have indicated they are using Omegle. The website has a disclaimer stating the website has been known to be used by predators.

According to these families they have been talking to random strangers through the devices web cam. This report came from a parent of an early elementary student. This is a very dangerous situation for our children in our school district and in our community.

We are putting this information out there so you are aware of the situation and can take appropriate actions to make sure your children are safe while on the internet. There are many other dangerous websites out there so it is imperative for you to monitor your child's internet, app, and website usage.

There is an [Omegle Safety Guide for parents on You Tube](#). You can watch this short video to inform yourself and your children.

If you have any questions feel free to contact the School District of Crandon.

Thanks again!

Deputy Don Belland  
School District of Crandon SRO
