

Week of March 22

LENTEN PRACTICES

WORSHIP

Take time to read Psalm 126 every day this week as an act of personal worship.

PRAYER

If you are not already signed up for our Email Prayer Team, you can do so by emailing Linda@harrisonchurch.org. Use the prayer on the other side of this card in your personal prayer time this week.

STUDY

Next Sunday's Scripture is Luke 13:31-35

Read and ask yourself this question:

What keeps you from drawing near and finding peace with Jesus?

FASTING

Make a concerted effort to say nothing negative this week and load your conversations with positive comments.

GIVING

Evaluate your regular giving to the church. What percentage of your income do you offer back to Kingdom work each week or month?

Lord, show me God, and I will be satisfied.

Jesus, help me to remember how you loved everyone with welcoming arms embracing each and all of God's children with steadfast and unconditional love.

Amen
