Note from Julie: Norah is in a clinical trial, and after months of waiting, her cell therapy is happening soon! She will undergo three days of chemotherapy preconditioning this coming Wednesday-Friday and then receive her CAR T infusion on October 26. There are still months of recovery ahead, but we would appreciate extra prayers for this very important couple of weeks.

PRAYER REQUESTS FROM SESSION

For FPCR's efforts to widen our welcome to all people
For continued discernment as to how we can live into our identity as a Matthew 25 congregation that is committed to building congregational vitality, dismantling structural racism and eradicating systemic poverty
For ongoing wars and their ramifications across the world. We pray for God's peace.
For our country's elected leadership and prayers of peace and unity for this country.
For God's creation, including our national parks that have been opened up to logging.
For the people and communities who have suffered in the midst of fires, hurricanes, and other natural disasters.
For discernment on how to minister to our youth, children, and their families
