

## **Miss Betty's Ice Cream Brownie Pie**

**Submitted by the Latham's**

1 cup sugar  
½ cup flour  
1 stick margarine  
2 eggs  
4 Tbsp. cocoa (heaping)  
1 tsp. vanilla  
¼ tsp. salt  
½ cup chopped pecans

Combine all ingredients except nuts and beat for 5 minutes. Stir in nuts then pour batter into a buttered 8" pie plate.

Bake at 350° for 25 minutes. Allow to cool. Serve with a scoop of ice cream and chocolate sauce.

We like these brownies without ice cream too. They are quick and easy and I think they are better than the mix brownies. Wish I had a good story about Miss Betty, but I don't. I cut this recipe out of a magazine years ago.
