

August 2020

Dear Hawks,

Welcome back to a new, and *different*, school year. We hope that everything is getting off to a good start and the new routine is settling in. While we may not be attending sports and activities as we had planned, we are still working on many things to support our HEHS community.

Your membership in the H.E.L.P. directly supports the students and staff at our school. **We hope that you'll consider joining.** If you are unsure whether purchasing a membership with athletic passes is wishful thinking for sports season, you can always join now at a lower level and upgrade your membership when we're ready to cheer on our HAWKS from the stands.

**If you have already joined, thank you for supporting our mission! We will be in touch with information about incentives pick-up soon.**

If you have any questions, please contact Jenn Sklena at [hehshelpmember@gmail.com](mailto:hehshelpmember@gmail.com) or call 847-490-8110.
