  - H.E.L.P. was grateful to participate in the **"De-Light-Ful December Drive Through"**. We had fun turning light posts into candy canes, doors into presents, giving candy cane treats to all student volunteers, and so much more! Our students and staff were able to participate and showcase their talents and interests in a safe and socially distanced manner. Special guests Elsa and Anna and their live reindeer were a fun highlight for our community as well. We had over 350 cars drive through our amazing display! We hope you enjoyed the event put on by Mr. Mocon and his team. We are excited to see what next year brings!!
  - Thank you to those who joined us at our Panda Express Restaurant night in November and Wendy's in December! We appreciate your support!
  - Thank you to all who ordered from our **online School Store!** We earned over \$1,100 for our students and staff! Your purchases are making it possible for H.E.L.P. to continue our programs that mean so much and are essential to our Hawk community! We will be opening our store again in the Spring. Watch for dates on our social media and in our newsletters and e-blasts!
  - H.E.L.P. was excited to send a **Starbucks treat to the administrative assistants** in the Main Office this month. They are all huge supporters of H.E.L.P. and contribute in many important ways. They promote our events, field our calls, organize our mail and so much more!
  - H.E.L.P. recognized the **Debate Team** as our Student Appreciation group at the end of last month. Although their competitions were virtual, they won several tournaments! We are proud of your ability and motivation to bring your best despite the challenges! Well done, Debate Team!
