Welcome Back! -August 2026

The Hawk Boosters are looking forward to a tremendous school year!

It is our pleasure to continue to contribute to outstanding events and to the needs of our students, clubs, activities and sports!

Without YOU we cannot make any of this happen! Many memberships have been rolling in and we are looking to increase the attendance at our monthly meetings. If you have any questions about membership, please contact Katie at HEBoosterMembership@yahoo.com.

Remember, some membership levels include athletic and theater passes which make games and a play free!

Please join us along with our wonderful administrators, Mr. Mike Alther and Ms. La Wanna Wells in the Media Center on the second Tuesday of the month. Joining us will provide you the opportunity to be 'in the know' on all school events and happenings and take an active role in bridging that student, faculty, administrator and parental dynamic that HEHS strives for. Plus, it's fun!

A Glance Forward…

- The fall athletic competitive season has begun! You can find Hawk Boosters running the concession stand and school store at all home football games. Come cheer on our Hawks and say hello, grab a snack and spirit wear. Hawk swag is where it's at! Hope to see you at our remaining Home football games: 8/28, 9/10, 9/25 (HOCO), 10/16 (Senior night & Mayors Cup!). Please see the volunteer link to donate an hour of your time to helping make concessions run smoothly!
- Tuesday, September 10th is also our next Hawk Boosters meeting at 6:30 pm in the Media Center. Join us!
- Saturday, September 26th is the homecoming dance at HEHS. Hawk Boosters will serve as the volunteer pool to provide refreshments and monitor coat check in the cafeteria. Please keep an eye on your email and our social media for your opportunity to help us!

A Glance Back…

• I was given the opportunity to address our faculty and staff at their institute day. On behalf of Hawk Boosters, provided them a small token of our appreciation and an opportunity for membership to Hawk Boosters at a discounted rate. We are thrilled to have their ongoing support & partnership!

In addition, in August 6th I spoke to Freshman parents about Hawk Boosters at Freshman Kick-off night. It is always exciting to see new faces and make new connections!

• Our first meeting of 2026-2027 school year took place on Tuesday, August 11th. Our budget was approved and Mr. Alther shared his excitement and vision for a safe, effective, exciting & flourishing school year for our students.

Thank you to…

- our administration for giving us the opportunity to speak to the incoming Freshman Parents during the Freshman Kick-off event
- our administration again for the invitation to meet and greet the faculty on their first day back to school. It is always a privilege to speak to them!
- our faculty and staff who not only contribute so much of their personal time to being there for our kids outside of the classroom but have also contributed to our cause through membership and support during our first events of the season!

We hope you had a wonderful, relaxing and fun filled summer! We had a well attended first meeting and hope for the continued support at our next meeting Tuesday, September 8th! Bring a friend!

GO HAWKS!

Pam Conway
