An Introduction: The Decade of Healthy Ageing

The Decade of Healthy Ageing is proposed as a global collaboration led by WHO that will bring together governments, international agencies, health professionals, academia, the media, the private sector and civil society to improve the lives of older people, their families and the communities they live in.

Learn through this webinar about:

- What is the Decade of Healthy Ageing?
- How will the Decade be developed?
- How can stakeholders within various fields be involved in the Decade and its objectives?

Presented by:

Dr Mary Manandhar
Technical Officer
