S.M.I.L.E

Sharing , Motivating, Inspiring & Learning Empathetically

S.M.I.L.E is a family support group designed by Nancy Stoll, Certified Family Support Partner at Marc Community Resources. The group was created to allow families a safe place to share their stories, gain education on topics geared around the challenges of loving someone that is receiving behavioral health services. The group will provide educational tools, community resources, guidance and additional supports.

Family members can grow and realize "they are not alone" on this journey.

If you would like to attend a group, or learn more about the topics, please contact Nancy.

The group is FREE and open to the community.
