# “Did You Know?” Roundtable

Friday 4/25/25

9AM-10:30AM

## *The APFC’s Diversity Committee 1<sup>st</sup> Quarterly Roundtable*

In a space that builds trust and awareness, the dialogue will focus on the impact of incarceration, re-entry, and system barriers. Voices will be heard, stories shared, and change will begin through listening, learning and being inspired, led by individuals with lived experience, offering insight into recovery, resilience and the power of community.

### *Joining Us From Inside Lifting Up Lived Experience: Miguel & Michael*

This roundtable highlights Miguel Guerrero and Michael Jackson--both currently incarcerated, speaking from lived experience, beyond titles and systems. Their stories give voice to those often unheard, reminding us that real change begins when we listen, learn and empower the community.

Whether your lived experience includes incarceration, if you’re a loved one, advocate, service provider, or just passionate about breaking stigma--- this space is for you to be empowered and inspired with new perspectives.

*“Did You Know” Roundtable Mission: to Inform, Engage, and Empower;
