WELCOME

For over a decade, we have provided authentic Italian-made doors offering many design options and custom sizes. Our Interior doors are created with a high level of care and craftsmanship that goes into every detail of Deco27 ital-d products.

Deco27- Ital-d customers are provided with the convenience of an all-inclusive door package consisting of a door frame, casings, concealed hinges, magnetic lock and door handle.

At Deco27- Ital-d, our belief is that a door is not just a separation between rooms, rather a significant element of the interior that brings beauty and functionality to your home - An element so important that you use it from the moment you wake up until the moment you go to sleep.

Our doors are custom-crafted to fit your personal style and highlight the aesthetic appeal of your home. We rely on the use of the finest wood/MDF materials for the fabrication of our Italian made doors, which provide a reliable and lasting product.
