

Thousands of students in sub-Saharan Africa don't have access to school supplies and textbooks. Without the necessary school supplies, bright young minds lack the quality of education that they need to thrive academically. Help Develop Africa by donating new or gently used school supplies. Black bins will be placed around the school May 24-June 4th. All you need to do is drop your items into the bins. We will do the rest!

Additionally, please consider a monetary donation to help cover the cost of shipping. These donations can be turned into the office.
