

# Driver's Education in the Classroom

**Nevada law states that students, ages 15 through 18, must complete 30 hours in a driver's education class, plus 50 hours behind the wheel.**

TMCC Community Education Driver's Education class, which costs \$99, fulfills the 30-hour classroom requirement. Parents are responsible for the 50 hours behind-the-wheel component. *These classes fill quickly. If the class you want is full, look for another that has space available.*
