SUMMER FRESHMAN START TUITION AWARD

Summer tuition awards starting at \$1,500 will be available to graduating high school seniors admitted to UNR for fall (must be freshmen standing with less than 30 credits to be eligible). Applicants must attend UNR in fall to be eligible for the award and must enroll in six UNR Summer Session credits to be considered.

Applying is easy! Applications will be available on the Freshman Start website freshmanstart.unr.edu beginning May 1 and funding will be awarded on a first-come, first-served basis. To apply, enroll in six UNR Summer Session credits, then download the Summer Freshman Start Tuition Award Application (after May 1) and submit to the Summer Session office. Submitting a tuition award application does *not* enroll you in summer classes. Students must register on MyNevada.

Note: Failure to earn six UNR credits during Summer Session or failure to attend in the fall will result in the withdrawal of award money. Students will be responsible for returning the funds to the Cashier's Office. Submitting the Tuition Award Request for Funding does not guarantee funding.

SUMMER WRITING PORTFOLIO WORKSHOPS

Incoming freshmen who would like to place into a higher English class may attempt to do so by submitting a writing portfolio to the University’s Core Writing Department. Summer Freshman Start offers FREE Portfolio Workshops to help students strengthen and fine-tune their portfolio submissions.

STUDENT TESTIMONIAL

"Freshman Start provided me with an opportunity to get ahead. I knocked out two classes and earned six credits before almost all of my other classmates even started class. Students who want to get ahead of the curve should definitely consider enrolling, and applying for the scholarship that can cover the cost of the summer term if received."
