

## **NEW METRO HOUSING WEBSITE COMING THIS FALL**

Metro Housing is pleased to announce that they will be introducing a re-designed website later this fall.

The website will continue to be the home for information, news, forms, and resources for all of our participants, property owners, service providers, partners, and donors.

Users of the website will notice a cleaner, less cluttered look and navigating throughout the site will be much easier than in the past.

More details to follow soon.
