

**Sol Dog Lodge and Training Center opens second location in NW Tucson Oct. 1st**  
**New site offers private/group instruction, fitness, therapy/service training and pet supplies**

September 21, 2020 - Due to the increased demand for our services from the incredible, dog-loving Southern Arizona community, we are pleased to announce the opening of our second training site at Mountain View Plaza, Thornydale and Linda Vista.

Whether your dog is a brand new or long-time member of your family, training can create a safe, healthy and long-term relationship with your dog. And with our new satellite center, Sol Dog training is even easier to access for our Northwest-area clients, both old and new.

Our NW site will offer private lessons for puppies, Canine Conditioning Fitness, Canine Good Citizen™ classes, and training and evaluation for service and therapy dog work. We'll also have retail dog items for sale: slip leads, toys, high-quality dog food, Sol Dog t-shirts and other merchandise. We will add new and expanded services in the NW as the need and demand increases.

Although all of our highly-experienced trainers will be using this site at different times, our very own Nicole Whittington-- a favorite of dogs and humans alike at our original Prince Rd. location-- will be based in the NW full time. Nicole- trained as a Vet Tech--has 13 years of dog behavior experience, is a certified Canine Good Citizen trainer, a licensed Canine Conditioning Fitness Coach through Do More With Your Dog, and has extensive experience in the dog service world.

This new space is a continuation of our mission to ensure all dogs stay in their forever homes with the families they know and love.

We will not be offering overnight boarding services at the NW site and, like the Prince Road location, we will work by appointment only.

Sol Dog Lodge & Training Center will still construct our main campus at our Marana location (near I-10 and Tangerine Rd.) but until it is ready for our doggie clients, NW residents now have Sol Dog in their own neighborhood!
