Delivery done right

Look to us to manage all aspects of transit and make sure your order is brought to your location at your preferred date and time, as well as these other benefits:

- The ability to store purchases for 30 days at no charge, so your order doesn't arrive before your location is ready
- Scheduled delivery during overtime hours
- Optional disposal of your old mattresses at the same time as delivery
- The handling of filing of any/all freight claims, concealed damages, warranty claims, and/or product shortages
- Coordinated building access and certificate of insurance (COI) if required
- Floor protection and lift gate as needed
- Identification of potential recycling opportunities

Why Workspace Interiors?

We're a full-service office furniture dealership that can meet your specific needs — from concept to completion. Look to us to provide strategies and solutions that fit the unique objectives of your hotel or resort, and count on us to support you every step of the way.
