

Find Your **STEM** at UNCG

Join The American Association of University Women (AAUW) and UNCG for a half-day program introducing high school students to Science, Technology, Engineering, and Mathematics (STEM). Open to 6th through 12th grades, this event highlights how STEM enhances fields such as liberal arts, business, education, health sciences, and more. Discover diverse pathways to STEM careers and learn how STEM knowledge can benefit any field.

PROGRAM HIGHLIGHTS

- Experience **interactive sessions** in UNCG's state-of-the-art labs.
- Enjoy **lunch** at Fountain View Dining Hall.
- Learn from UNCG faculty and **AAUW Teen Near Peer Volunteers**.
- Visit the new Bryan School of Business **Google Cyber Security Center**.
