

Please join us at the

2017 4R Summit

in Minneapolis this June!

Hear from 4R Stakeholders from around the nation!

Please join us for the 4R Summit, June 12-13, 2017, in Minneapolis, Minn., to learn more about the 4R Nutrient Stewardship program and hear how stakeholders across the country are implementing the 4R principles.

Certification, Research, In-Field Application & More

With Minnesota as our host this year, attendees will learn about 4R initiatives in the state from state ag leaders. Other sessions will focus on in-field applications of 4R research, expanding 4R certification programs, 4R priorities in the next Farm Bill, and how the 4Rs intersect with the specialty fertilizer market.
