Dear Members and Friends:

The Holidays are a special time of celebration with families of origin, and families of choice. A big slice of my family of choice are all of you. I'm so very pleased to have each of you to be a part of my wonderful family!

As you are planning your celebrations this year, I hope you will take a few moments to consider what you might want to give as a special financial gift for your church this holiday season as a way to express your love and gratitude for all the ministry that the church performs throughout the year. Your "Merry Christmas MCCNova" gifts last year was an added blessing to the financial stability of our church.

Our church continues to bounce back from the pandemic. This year, we have seen growth in our attendance, our membership, and our finances. However, we can't just ever stop and coast. There is so much more we need to do to offer help and unconditional love to those in pain within our community.

Can you please pray to see what God would suggest you give to be a blessing to your church?

Many thanks and be well,
