## Epiphany 5

## Along The Way

**Rev. Lori McPherson  
Preaching**

### **First Reading ~ *Micah 6:8***

Listen here, mortal:  
God has already made abundantly clear  
what "good" is, and what YHWH needs from you:  
simply do justice,  
love kindness,  
and humbly walk with your God.

### **Second Reading ~ *1 Corinthians 1:26-27***

Consider your calling, [my friends]. Not many of you were wise by human standards, not many were influential, and surely not many were well-born. God chose those whom the world considers foolish to shame the wise, and singled out the weak of this world to shame the strong.

### **Third Reading ~ *from Gustavo Gutierrez in The God of Life***

It is up to us to transform the time in which we live; it is our responsibility to change the course of events. There is no room, then, for an easy resignation that seeks reasons, including religious reasons, to hide our cowardice.
