

Dear Faculty,

The Department of Family Medicine is excited to welcome you at the Spring Faculty Retreat at the Fairmont Château Montebello, QC, on **Friday, April 1 and Saturday, April 2, 2022!**

Spring is the season of growth and rejuvenation, which aligns with our theme for the event. We are excited to reconvene and enjoy all that Montebello has to offer during the Spring season, and we are optimistic the COVID restrictions will be eased at this point.

All participants who have registered for the event, please ensure to add this to your calendars and prepare for a great event. Please note, there is still space available, and we would love to have you join us! If you are interested in registering, please contact Andrea Rawley at fadfm@uottawa.ca.

Please expect to receive important event information in the months to follow as our programming and planning continues. We will be sharing a complete event program with all participants once finalized.

As always, if you have any questions, please direct them to fadfm@uottawa.ca.

Dr. Clare Liddy
Chair
Department of Family Medicine

Dr. Eric Wooltorton
Director, Faculty Development
