DAY	TIME	CLASS NAME	LOCATION	TUITION	DESCRIPTION
Saturday	9:00-9:45 AM	My Little One & Me / Creative Movement	West	$126	This engaging class introduces little ones to the joy of dance and self-expression while building confidence. Through music, imaginative activities, and fun props such as parachutes, stuffed animals, and scarves, dancers will explore movement and creativity in a playful environment. Parents or caregivers are welcome to participate as their child becomes comfortable in the classroom. As dancers gain confidence, we will gently encourage them to participate independently, with each child progressing at their own pace. Our goal is to create a positive, encouraging experience that helps every child feel successful and excited to dance!
