## 2019.20 NEBRASKA DANCE PERFORMANCE PROGRAMS

OUR VISION

**Creating opportunities for dancers  
to explore their love of dance while  
experiencing the joy of performance**

Thank you for your interest in the Nebraska Dance Programs!

## | Core Values |

We believe each of our students are **uniquely designed with a purpose**; it is with them in mind that we desire to create unique programs each with their own mission and purpose. We whole-heartedly believe it is an **honor and responsibility** for you to trust your dancer and their dance training in our care. We strive to create the **best possible experience** for our dancers in each of our unique programs. At Nebraska Dance, we believe a **strong community** helps us to reach our goals personally and as a team.

## | Our Approach, Personal Development & Team Camaraderie |

Seeing each dancer as a whole person is a large part of our approach in dance education. We believe in addition to learning dance skills, dance is a vehicle to develop young people's life skills. We work to make our daily verbiage speak in a way that acknowledges the unique creation of each dancer and challenge a positive team environment. We strive to integrate teamwork, camaraderie support, and overall positive relations and interactions into classroom instructions. We encourage dancers to see each team member as a unique person with talents and strengths different than their own. We desire to see each individual become the strongest dancer they can be, while celebrating their individuality as a program dancer and a member of the Nebraska Dance Family.

## Performance Pom & Cheer

This program is designed to offer a simple way for dancers to be introduced to the pom and cheer world. Dancers will learn a cheer and pom routine in a 4 week session than have opportunity to “take their skills to the court” by performing at local UBT events. We look forward to providing spirit building cheers and entertainment for youth basketball teams in Omaha! Dancers will learn the importance of precision, execution and performance as they build skills unique to cheer and pom.

### ***Schedule***

- Saturdays - 4 weeks of one hour rehearsals (Sept - Oct)
- Saturdays - 6 weeks of one hour rehearsal/cheer/performance at UBT (Oct - Nov)

Our hope is there will be a specific time kids can sign up for that should stay consistent throughout the season (Example, Saturday 9:30 to 10:30am) Times TBD and will come when registration for PPC comes this summer, we are anticipating July.

**\*\***Since this is our first year of offering this program, we will be working through the development of this program.**\*\***

### ***Cost of Performance Pom & Cheer***

- 10 week tuition \$120
- UBT Performance/Admission Fee \$48 (includes dancer's admission and performance fee to UBT, additional family members will be charged an admission fee to attend)
- Uniform (Skirt, Tshirt, Bow) \$100\*\*

*\*\*The first time kids participate in this program, they will need to purchase the t shirt, skirt, and bow. Our hope is to offer this program in the fall and spring. We will use this same outfit for years to come, therefore if they participate multiple times, they will not need to repurchase this outfit. We will work to offer a 'sell/buy used' program as kids grow out of their uniform\*\**
