NEBRASKA DANCE CREW

MISSION

Crew offers excellent opportunities for dancers (K-12th grade) to explore their love for dance, learn to work with a team, and gain additional performance experience. This program can also be an excellent way for dancers to determine if pursuing additional dance opportunities will be part of their dance journey. No auditions required.

DANCES & EVENTS

Each Crew class will learn and work to perfect one dance number they will perform at all ND events.

In studio performances for crew are the Halloween, Holiday, and Spring Performance Weeks where Crew will perform alongside our ND recreational classes. There is also a special Crew Holiday Spectacular held in December for family and friends to get to enjoy!

Stage performances for Crew are our Winter Showcase, Benefit Concert, and end of the year Dance Concerts.

MINI CREW (K-1ST GRADE)

Mini Crew is a great introduction to more performance opportunities for these young dancers. The Crew program gives the dancers a chance to experience the stage multiple times throughout the year. This allows dancer to explore and experience their love of dance.

Requirements for this program includes one mini performance crew jazz (45 minutes per week) as well as an ND class of your choice (45 minutes per week).

Tuition for these two required classes is \$91 per month, September through May. Dancers are welcome to take as many ND classes as desired, additional tuition rates will apply.

All ND dancers are invited to this well-loved Crew class, but it is highly recommended for dancers who may be interested in pursuing a competitive program in the future.
