

Mike Webster and M & S Flooring honored with the C12 "Hero Award".

M & S Flooring's President, Mike Webster, has been a part of C12 since 2007.

Each month, C12 gathers thousands of Christian CEOs and business owners in Peer Advisory Groups across the globe. These leaders help each other make better decisions, avoid costly mistakes, create solid plans for growth, and thrive in their calling to create impact beyond the bottom line.

On May 5th, Mike Webster was one of nine recipients from around the world to receive the C12 Hero Award at the C12 Global Marketplace Leader Conference Current '21 in Orlando, Florida. You can see Mike second from the left, standing with Randy Warwick, his C12 Chair.

C12 Heroes are individuals who have demonstrated unwavering commitment to the use of their business opportunities to model and share the love of God in Christ. They have kept focus on the eternal perspective through good times and trials and have kept their faith.

They have pushed the envelope of the meaning of “ministry in the marketplace” and have been leaders and innovators in the use of the business relationship as a conduit of the Good News while building exemplary businesses based on biblical principles applied. They have put their hands to the plow and not looked back and they have sought first the Kingdom of God in their business, personal, and spiritual lives.

Congratulations Mike, a well-deserved honor.
