2023: Growth & Impact

We have exciting news to share! In 2023, Life Assets achieved substantial growth, adding over 75 units, initiating \$35 million in new developments in Westfield, Cranford, Elizabeth, and Newark. We also were honored to receive the Developer Award of the Year from New Jersey Community Capital.

The collaboration with municipalities and the upcoming 2024 projects in Scotch Plains, Plainfield, and Newark, including a transit village for workforce families and an affordable housing development, demonstrates our commitment to making a positive impact on communities. We're enthusiastic about Life Assets' continued growth and success.
