SHE CODE
CONNECT™

She Code Connect™

She Code Connect™ is an ongoing **free** program of Youth Code Jam for **middle and high school** girls -or anyone who identifies as non-binary - with a passion for tech, likes to code, and want to create a like-minded community.

Annual Projects

We're excited to share we have launched a new program format! All participants will work on an annual-project of their choice alongside a mentor, as they build their portfolio and develop a top-notch tech-related resume.

Monthly meetups

She Code Connect™ meets on the 2nd and 4th Saturdays of each month. Meet-ups range from panel discussions and Q&A sessions with influential female professionals, coding activities, interactive brainstorm sessions, and more!
