Contributions are not deductible for federal income tax purposes. Contributions to the Texas Association of REALTORS® Political Action Committee (TREPAC) and the Texas Association of REALTORS® Federal Political Action Committee (TAR FedPAC) – which makes contributions to the REALTORS® Political Action Committee (RPAC) – are voluntary and may be used for political purposes. The amount indicated is merely a guideline, and you may contribute more or less than the suggested amount. You may refuse to contribute without reprisal, and the National Association of REALTORS®, the Texas Association of REALTORS® (TAR), and its local associations will not favor or disadvantage anyone because of the amount contributed. Until the RPAC annual goal is met, 70% of an individual's contribution goes to TREPAC and may be used to support state and local candidates; the remaining 30% is sent to TAR FedPAC to support federal candidates and is charged against your limits under 52 U.S.C. 30116. (Exception: 100% of an individual's contribution goes to TREPAC if the individual is an employee of an affiliated member of TAR.) After the RPAC annual goal is met, 100% of an individual's contribution goes to TREPAC and may be used to support state and local candidates.
