

LAAR proudly supports Expectant Heart for the 2019 LAAR Business Expo!

We will be accepting **Diapers** ranging from **Newborn to Size 6** or monetary donations at the Expo. Checks may be made out directly to Expectant Heart PRC.

Please stop by their booth and show them how this
REALTOR® Community comes together!

Expectant Heart Pregnancy Resource Center is a faith-based ministry, which seeks to eliminate any barriers to choosing life for an unborn child by providing long-term support and education to expecting families until their child turns 36 months. Our goal is for each family to leave our program feeling stronger, healthier, and to have a renewed sense of purpose, hope and a redeemed life in Christ.
